R. L. D. S. Church News

The educational program for the departmental heads of each branch was held October 3rd and 4th at the Park of the Pines (Recreation Grounds) Boyne City. Dr. Floyd M. McDowell of Independence, Mo., conducted the program. A camp fire and fellowship service was enjoyed on Saturday evening. On Sunday at 2:30 p. m. the service closed with a communion. Services such as these are the beginning for a 5 year church wide program. Seventy Harry L. Doly of Traverse City, district president, was in charge. Those attending from the Grayling branch were Elder and Mrs. Roy Newberry and Mr. and Mrs. Dan Babbitt.

The Women's Department of the R. L. D. S. Church will meet in the home of Mrs. Jim McGuire of Milledge on October 8th for the social meeting, a potluck luncheon at noon. The afternoon will be devoted to worship and study.

Beth Johnson of Onaway and Elaine Parks of Gaylord, both district officers, Beth for church school and Elaine for women's department, will meet with the Grayling branch Sunday morning, October 18th.

Vikings Band Notes

Our next game October 9th with Mio is considered "Homecoming Game" and in honor of the occasion the band will present a "Homecoming Skit."

At half time we will line up behind the goalposts and a fanfare will be played. At various places on the field we will play "Auld Lang Syne", "Hail Hail", Our school song, Mio's school song, "Alma Mater", Our Boys Will Shine Tonight", and "Parade Routine". While these selections are being played, a number of letters will be formed among them are H. G. for Grayling, M. for Mio, and an A.

We have done a lot of studying and hard work to bring this to you. Since Monday, September 28th when the drum major gave us our instructions we have earnestly tried to do our best.

Boy Scout News

The boy scout camp at Jones Lake, October 2nd to 4th, was attended by 67 boys from West Branch, Oscoda, Roscommon, and Grayling. 24 boys were from Grayling Troop 77. Three scoutmasters that were teachers, could not attend because they had to be at a special meeting.

The weather was fine Friday and Saturday. The camp fire Saturday night had to be out short because of high wind. Shortly after rain followed and many scouts went home with their parents.

Sunday morning many scouts attended mass at St. Mary's. Rev. Puffer held Protestant services at the camp.

It was decided that in the future no scout troop will be sent to any camp without adult supervision from their own troop or town.

The following boys received their second class scout card at the camp fire: Jim Perry, Tim Perry, Jim Wylie, Theodore Hall, Larry LaGrow, Marshall Atkinson, Gerald Larson, Donald Roberts, Russell Mudge, Nels Olson and Joe Rozenek.

These boys, and those that completed their second class requirements at Camp Noyah, will soon get their pins.

Cost Of Transporting Mail . . .

Claims are being made that the Post Office Department could economize by moving all long-haul first class mail by air. In the light of that, it's interesting to analyze the Department's own cost ascertainment report for the last fiscal year.

It shows that the railroads and other surface carriers moved 17,500,000,000 pieces of non-local first class mail for which they received an average of about one ninth of one cent for transporting each piece. The airlines carried about 1,333,000,000 pieces of air mail for which they received an average of some two-and two thirds cents per piece—more than 20 times as much as the railroads.

The railroads also rent to the Department space and facilities for distributing mail en route, a service not provided by airlines. When the money paid the railroads for these facilities is considered, their revenues came to one fourth of one cent per piece—less than one tenth as much as was paid air carriers for transportation only.

On a ton-mile basis, railroads and other surface carriers (the railroads providing approximately 90 per cent of the service) received an average of a little more than 16 cents for moving one ton of first class mail one mile. The airline's average was \$1.33 per ton-mile. And, according to the Department's estimates, 68.8 cents of this was paid for transportation service and the balance was a direct subsidy to airlines.

Taking everything into account, no other form of transportation can approach the efficiency and economy of the railroads for moving the great bulk of our mail.

New Directory Issued
By Telephone Company

A new telephone directory is being mailed to all Union Telephone customers this week. The new directory includes number changes, new listings, and a "Classified Section" which reflects the continuing growth of our community and the telephone network which serves the area.

The use of the "Classified Section", or the Yellow Pages as they are commonly known, provides a short-cut to shopping. It is impossible to live next to every store, but the YELLOW PAGES of the "Classified Section" offer you full lists of services and products, the names, addresses and telephone number of many dealers, each as close as your telephone. The "Classified Section" is arranged to help in shopping and its use will save time and needless effort. Any article or service needed will, most likely, be found listed under the proper headings in the "Classified Section".

*Local delivered price of the
New 1953 Buick SPECIAL

2-Door, 6-Passenger Sedan
Model 48D (illustrated)

*Optional equipment, accessories, state and local taxes, if any, additional. Prices may vary slightly in adjoining communities due to shipping charges. All prices subject to change without notice.

WHY should you do yourself out of the
big things in motoring life?

Why pass up the room and power and comfort and niceties of big-car travel — when you can buy a big, new Buick SPECIAL for just little more than the price of smaller cars?

We show our price here to prove our point — to prove that you can buy this Buick SPECIAL for just a few dollars more than you have to pay for one of the so-called "low-price three."

Figure what that means—

Just a few dollars more for a lot bigger hoodful of power — Fireball 8 power — the highest horsepower ever placed in a Buick SPECIAL.

Just a few dollars more for big and spacious 6-passenger roominess — and the solid, steady comfort of Buick's famed Million Dollar Ride.

Just a few dollars more for Buick styling, Buick handling, Buick luxury, Buick fun.

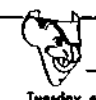

But do you know what else those few extra dollars get you in this big, broad, beautiful Buick?

THE GREATEST
BUICK
IN 50 GREAT YEARS

They get you a long list of standard equipment at no extra cost that most other cars at or near its price charge you for, as extras — which makes our quoted price even lower than it looks.

We have the facts and figures to prove our points. All we need is you, at the wheel.

Grayling Public School News

SENIOR PICTURES

Carolyn Deyette, Jackie Hunter. On the afternoon of September 22, 1953 and all day September 23, 1953, the seniors were posing for the cameraman, Ferris Parsons of Rogers City.

There were 252 shots taken as each senior was entitled to six poses.

We are expecting the proofs the middle of next week so that the students will be able to receive their orders by Christmas.

GLEE CLUB

Rita Sorenson and Sandy Strong. The Grayling High School Glee Club consisting of 30 members, gave a wonderful performance last Thursday, October 1, 1953 at 8:00 P. M. for the Women's Club District Convention held at the M. M. Church. They sang three numbers, "Strolling Through The Park," "Somewhere a Child Is Singing," and "Just a Cottage Small." It was the first outside performance given by the Glee Club since last June.

MAGAZINE SALE

This year the Senior Class is sponsoring a magazine sale of 91 leading Curtis publications. The sale started Tuesday, Sept. 29, and will run two weeks. Some of them include Life, Post, Look, Newsweek, Ladies Home Journal, Holiday and etc. We have a very good list to choose from, so get your magazine new or a renewal from any Senior.

STUDENT COUNCIL MEETING

Larry Pond. They talked about getting an orchestra for the homecoming game with Mio, Oct. 9. There is

going to be a dance after the game, where the queen will be crowned.

BEGINNERS PROGRAM

Phyllis Randolph. The grade music program for the beginners in band work will start the first part of October. Mr. Christensen will give music tests in grades 4, 5, 6. After these tests have been given a demonstration of musical instruments will be given to the students. Mr. Glen Shull, Lyons Band Instrument Company representative will give a instrument demonstration and display, on the evening of October 14, at 8:00 P. M. Mr. Shull will explain the Lyon rental program in which a musical instrument can be rented for three months for a small fee. At the end of this period the student may either purchase the instrument or return the instrument back to the company. All parents of students interested in starting in the band program should attend the meeting if possible.

NEW SENIOR

Rita Visnew. We have a new addition to the Senior Class of '54. Her name is Carolyn Deyette. She moved here in June from Eaton, Ohio. Her father was transferred here and is employed by the Atlas Plywood Co.

Carolyn likes Grayling High very much, she thinks the teachers and students are very friendly. She and her family are living on the old Dam Road in Mr. Legner's permanent cabin.

The only fault Carolyn finds with High School is that they don't have sports for the girls and she likes all sports. Her ambition is to become a professor of English. Carolyn is planning to attend Mt. Pleasant State Teachers College next year. All I can add is that the Senior Class is glad to have Carolyn as a member.

NEWS FROM MR. STRIPE

George McEvers. School was closed last Thursday and Friday, due to the teachers institute at Alpena.

Class meetings were held by all classes last Monday. These meetings were held the second hour in the morning instead of first, so that the students wouldn't miss the same class everytime.

The film schedule has gotten under way, with a film for the Social Living Class, one for the Geography Class and one for the Elementary Dept.

KINDERGARTEN NEWS

Katherine Smyth, Teacher. That day looked forward to so anxiously has come and several others—when we 65 children born in 1948 and a few so unlucky as to be born after November 1, 1947 started our first day of school.

We have been watching the leaves on the trees outside our windows change from green to pretty yellow, orange, and red, so we each made a little book of pretty leaves.

Little Black Sambo came to our room one day and we sure enjoyed the story about his walk in the jungle.

We think it's fun to sing "Fre're Jacques" because the words are different.

Shirley Cantfield. The children that have entered Grayling High this year, some have been here before and moved away and this year re-entered, they are: Carolyn Baker from Charlotte, Bill Brooks from Houghton Lake, Bethlyn, Jack, Donald Campbell from Fairview, Donna Jean Cole from Fairview, Mon, Carolyn Deyette from Eaton, Ohio, Patty Terrell from Temple, Jean and Ed Holtcamp from Roscommon, Ronald Kellogg from Pontiac, David Owen from Fred-eric, Hilda Terry from Ann Arbor, Frank and William Wuolukka from Negaunee.

David Owen and Carolyn Deyette are the ones who have entered the Senior Class for this year.

SENIORS' PROGRESS

Phyllis Goss. Progress for this year's proud Seniors is showing up fast. The first class meeting was held on Monday, September 14. Such things discussed were Class dues, Senior Prom, Homecoming Dance, Senior Play and etc. Mr. Bond informed the class that we wouldn't be able to hold our Prom in February as other classes have because they have usually gone into the hole instead of making a profit as desired.

In setting up the school calendar our Prom date was set for October 31st. While on the subject of dances we also wanted to have the Homecoming dance again this year. The Student Council had first choice on dances and they were given the Homecoming dance after the Mio game on October 2.

No definite date has been set for our play but it will occur some time during the week of November 16 to 20.

So you can tell the Class of '54 have been busy with class work besides their studies. We hope it will bring as much enjoyment to the public as it will to us.

CLASS HAS VISITORS

Phyllis Goss. The Sociology Class had the pleasure of enjoying the presence of Mr. and Mrs. Victor Ottolini, Milan, Italy, on Wednesday, Sept. 23rd.

Mr. Earl Gierke, our teacher, gave us this pleasure by his acquaintance with Mr. Ottolini. He met Mr. Ottolini in Milan, Italy in 1945 where Mr. Ottolini was an interpreter for the Judge Advocate Section of the 4th Corps of the 5th Army. Last winter their friendship was once again renewed when Mr. Gierke received a Christmas card from his friend stating that he was in Detroit.

Mr. Ottolini was born in Milan and his wife is a native of France. Although we didn't hear his wife talk we were quite amused with the accent and the hand gestures which Mr. Ottolini used.

DRIVER TRAINING

Gretchen Rasmussen. The Driver Training Class started the second week of school with four classes, five pupils in each class. Mr. Gierke has the third and fourth hour classes and Mr. Stripe has the fifth and sixth hour classes.

The students spend four days a week in the car and one day a week in class. These class periods are spent discussing the materials in the text book, "Sportsmanlike Driving" which is published by the American Automobile Association.

This week the Driver Training Class is driving on the open road to get used to the car. Next week they will practice turning corners.

LOWER GRADES

By Caroline. Fifth Grade. The 5th grade surprised Miss Douglas Tuesday, Sept. 29th with a birthday party after a health movie was shown, which was very interesting, helping the class in Health and Geography. They are working on Nature workbooks this week and the class is very glad to have Thursday and Friday on vacation.

Sixth Grade. The reporters for the 6th grade this week were Jerry Larson, Tommy Brooks and Gary Springs. The class is working on stories about their summer vacations for English and multiplication tables for arithmetic. Carolyn Wuolukka was in Saginaw for a week. The Scottish program last week was enjoyed by all. Tuesday morning Mrs. Corwin, the nurse, measured and weighed the class.

TO COLLECT TAX ON USED CARS

Planning to buy a used car? If you buy a used car from now on from a dealer, you will pay the 3 per cent sales tax as in the past. If you buy it from anyone who is not a licensed dealer, you will have to pay a three per cent use tax figured at three per cent of the amount you pay for the car. It is a new law passed by the 1953 State Legislature.

Earl B. Burns, manager of the local Secretary of State's license bureau, said both taxes are collected by him at the time transfer of title is applied for.

Letters To The Editor

Route 3, Box 245D
Crawford, Michigan
Grayling, Michigan

Your September 24 issue of the Avalanche reached me today and I have just finished reading it. The article concerning the Federal Milk Marketing Order for Northern Michigan was of special interest to me.

I am in favor of the Order. When two good dairy farmers living as neighbors and both producing Grade 1 bottle milk are receiving a price difference for each one hundred pounds of milk sold amounting to \$1.47, something should be done. I know the farmers and can take you to their farms. One received \$4.50 for each one hundred pounds of milk at his farm while the other received \$3.03 for each one hundred pounds of milk at his farm. This was during the month of July. In August the difference per hundred was \$1.20. These two farmers mentioned above are selling to separate dairy owners. If the Order would be a slipshod way of doing business what does the above situation appear to be.

Farmers are reasonable people. I work with them every day, and most of them realize that all of their volume of milk cannot go into bottles and be sold to the consumer at the higher prices of Class 1 milk. I have yet to hear one farmer producer tell me that he should receive a top price for every pound of milk sent to the dairy plant. All he wants is an equitable price for the most valuable farm product produced in Northern Michigan, milk.

Most producers of Grade 1 milk in Michigan are Michigan Milk Producers Association members. This means that for all of those members there will not be an additional charge of carrying out a Federal Milk Marketing Order. These milk producers already pay the sum that is their cost of administering a Milk Marketing Order. If it is already being paid by the producer can it be an additional charge to consumer, producer or dairy?

Each dairy plant must keep a record of where the milk it receives is marketed, and of the price received so as to pay it blend price to the farmer producer. This is exactly what the order would require, so how can the keeping of records already kept require more help?

I like milk and drink it at every meal if it is available. It costs me 21c a quart for milk, and I would buy it if cost 30c a quart, because I know that I would be getting a bargain. Even if the Milk Marketing Order goes into effect I do not expect to be paying any more than 21c a quart for milk and may be paying less.

Sincerely yours,
Jack Post

Attn. Editor: I have lived in Northern Michigan since 1939 and have read your paper since that time. I feel that I have a right to have my observations printed in the newspaper to answer certain opinions. I feel it is contrary to the interests of the dairy industry of Northern Michigan to leave unanswered the accusations printed in your this week's issue. My vocation is teaching.

Grandmother and Aunts Give Bridal Shower

Complimenting Miss Ton Stephan, whose marriage was a event of Saturday, her grandmother, Mrs. John Knecht and aunts, Mrs. Norval Stephan, Mrs. John Stephan and Mrs. Earl Mathewson were hostesses at a miscellaneous shower. It was given at Camp Thunderbird, the home of Mrs. Norval Stephan on Sept. 24th and there were 28 present. Contests, games and stunts were enjoyed for entertainment and prizes were won by Mrs. Wellman Vallad and Mrs. Melvin Yoder, and they later were presented to the guest of honor, when she opened her shower gifts.

For decoration, autumn leaves and garden flowers in all their beautiful shades were used in the dining room. The table was lavishly with these decorations and centered with a huge cake that had been made by Mrs. Knecht and frosted by Mrs. Vallad. It was entirely covered with varicolored pansies.

Mrs. Ralph Hanna, Jr., of Traverse City and Mrs. Bernard Fowler of Vanderbilt were out of town guests.

Sensitized Gasolines... for instant response!

Achievements in gasoline chemistry in step with the newest developments in automotive engineering—brought to you by people who pioneered in the selective processing and blending of automotive fuels.

You know what we mean by "dead spot." At certain speeds, under certain conditions, you put your toe down—nothing happens. "Dead spots" can occur in any car, but they're especially noticeable in cars with automatic transmissions and overdrives. To avoid "dead spots," PURE gasolines are Sensitized—specifically blended to give instant response throughout the entire driving range. Try a tankful in your car (new or old) if you want sure-fire performance and thrifty mileage. Fill up with "Sensitized" today at any station where you see the blue and white PURE sign... no extra cost.

Miss Jean Lovely is home from the Nazareth School of Nursing, Kalamazoo, to be here for the remainder of the week. Her parents, Mr. and Mrs. Richard Lovely, drove over Tuesday to accompany her home.

On the occasion of the first birthday anniversary of their son, Ernest Jerome, which falls on Sept. 27th, Mr. and Mrs. Larry Balch entertained 22 members of the latter's family. At lunch time there were two prettily decorated birthday cakes gracing the party table.

Remember the date of the Harvest dinner to be given by the Mary Martha Circle of Michelson Memorial Church — Oct. 22nd. Prices Adults \$1.50, children 75c. Tickets now available from Mrs. Clarence Gross, Mrs. Carl Richardson and Mrs. J. L. Martin.

Mrs. John Goss, who spent several weeks here visiting at the home of her son, Oscar Goss, has gone to Kawkawlin to visit her son, Wilbur Goss and family for a while.

Pvt. Charles Goen returned Sunday to Fort Knox, Ky., after a ten day furlough spent here visiting Mrs. Goen at the home of her parents, the Charles Tinkers. He will be sailing soon for Germany after returning to camp.

Mr. and Mrs. Charles Tinker entertained eighteen members of their family on Sunday at dinner at their home. From out of town there was Pvt. Charles Goen of Fort Knox, Ky., Mrs. Tinker's parents, Mr. and Mrs. Alfred Priest and her uncle, John Galloway of Kankakee and Mr. and Mrs. Norman Meyer, Jr., and son, Robert, of Blue Lake.

Mr. and Mrs. Arthur Anderson of Saginaw spent the week end visiting the latter's brother, Clarence Robertson.

Mrs. Wilbur Winslow and Mrs. Robert Winslow spent Saturday in Gaylord.

Among those in attendance at the Woman's Club convention held in Grayling last Thursday and Friday was Mrs. Glenn A. Smith of Gaylord, who will be remembered as Miss Marguerite Hoyt. Mrs. Smith was born in Grayling and her parents were the late Mr. and Mrs. Jasper Hoyt. She taught in Grayling High School at one time and was county commissioner of schools here for two years.

Charles Kovach and William Lenkowski started brave and early last Thursday morning bound for the Upper Peninsula and a full day of bird hunting.

Mr. and Mrs. Loren H. Richards of Lapeer were at their home on the AuSable here for the opening of bird season.

Dr. and Mrs. C. B. Hensley of Lake Orion are at their cottage on the AuSable for the month of October. They came to be here for the opening of the bow and arrow hunting season and also to hunt birds. Ernest Williamson and son, Dennis, also of Lake Orion were on hand for the opening of the season and were joined on Friday by Mrs. Williamson. They also own a home on the river.

Mr. and Mrs. James B. Bell of Miami, Fla., arrived Thursday to spend a week at Camp Wah-Wah-Sum on the AuSable. They just returned from a trip through Alaska and Saskatchewan, Canada.

Mr. and Mrs. Gordon Pond spent the week end of Sept. 26th in Mt. Clemens visiting friends.

SPEAKS AT CHURCH

(Continued from Page 1)

to begin every year with Sunday, would disrupt the weekly cycle so that one year the people would be observing Sunday, the next Saturday, the next Friday, etc. It was learned that the Communists in Russia sought to control the religion of its people by calendar changes.

The fourth threat referred to was the "released time" program, which excuses public school children from school for religious instructions in nearby churches, during time which teachers are tax-paid to teach and school-buses tax-paid to operate. It was pointed out how tax-paid time was for public education and not religious indoctrination by any church.

New Driver Law Now In Effect

All drivers in Crawford County were advised this week by Sheriff John A. Papendick to take a careful look at the expiration dates on their driver's licenses.

A new law, which takes effect this month, will change renewal time for virtually every Michigan driver. Basic idea of new legislation, which is expected to greatly reduce loss of life and property from traffic accidents, is to make sure all people who hold licenses are qualified drivers. It set up strict testing for new applicants and a central file at Lansing where all moving violations and accidents will be marked on driver records.

It also provides that, henceforth, licenses will expire at three year intervals on the date of the driver's birthday.

Sheriff Papendick said that it may take several years for all aspects of the new law to become effective but that the expiration provisions will be complied with immediately.

Changing to the new system will give some people more than three years under their present licenses; will allow less for others, said the Crawford County Sheriff. The rule works like this: Your license expires on your birthday in the same year that it is already marked for expiration.
